## Good Laboratory Practice

23-12-2021

All the participants gathered at the central laboratory of MNR Medical college Hospital. All the participants were welcomed and the event started with good note in the presence of Principal MNR Medical College & Hospital. The Event covered the aspects of the importance of laboratory in medical health care and delivering the appropriate patient report. The event also covered the importance of the good laboratory practice which included the personal protection, patient preparation with relevant information, drawing the blood and other specimen in appropriate container and timely delivery to the laboratory. The overall workflow of the laboratory, waste management, reagent management and reporting was delivered to the participants.

**Title of Event:** Good Laboratory Practice

**Speaker:** Dr Anurag Yadav & Dr Sai Balaji.

**Audience:** Laboratory Technician, Nurses

**Date & Time:** 21-12-2021 & 9:30am to 12:45pm

**Venue:** Lecture Hall-3, MNR medical college & Hospital

**Good Clinical Practice – Biomedical Waste Management**

06-10-2020

All the participants gathered at the demonstration room 2 (Biochemistry) of MNR Medical college Hospital. All the participants were welcomed and the event started with good note in the presence of Principal MNR Medical College & Hospital. The seminar concentrated on the good clinical practice by learning basics of how to handle the biomedical waste and how the biomedical waste should be managed. The seminar also put view on how a good biomedical waste management will help to avoid the risk of contamination and also self risk from such hazardous waste material generated in hospital. The seminar ended with happy note and take home message of how important is management of biomedical waste on day to day basis at hospital.
