EVALUATION SYSTEM FOR ATTAINMENT OF MEDICAL GRADUATE ATTRIBUTES

MNR medical college and Hospital is affiliated to KNR university of Health Sciences, Warangal. As per the MCI the goal of medical education in India is to create a competent medical graduate who possess knowledge, skills and attitude capable of serving as a physician of first contact and is globally relevant. The roles are:

1. Clinician
2. Leader /Team Member of Health Care Team
3. Communicator
4. Lifelong Learner
5. Professional

MNR medical college has elaborated and displayed the same on Institute website. The CBME curriculum designed by NMC has also been displayed on the website. The course outcomes, program outcomes and program specific outcomes are also displayed on the website. The learning outcomes of UG and PG courses at MNR are in consonance with the KNRUHS syllabus. The college takes necessary steps in implementing the curriculum in order to achieve the learning outcomes. The students and teachers are made aware of the graduate attributes and the outcomes during the orientation program. The institute follows a schedule of continuous internal assessment as given by the KNRUHS, the information regarding which is displayed on the website as well as given to the students in the academic calendar. Assessment methods include theory as well as practical exams. Newer methods like assessing student communication, affective, ethical domains AETCOM questions are included. Other methods include OSCE/OSPE for undergraduate level, DOPS and Mini CEX for the postgraduate level. Theory examination include MCQ's, Long answer Questions, Short answer Questions in which few are application based, AETCOM and Problem solving in nature. COVID 19 Pandemic has been a speed breaker in the teaching and learning process but the institute coped by shifting the process from onsite teaching to online teaching and assessment modality there by not hindering the process. The information regarding the online classes, assessments and feedback are regularly conveyed to the students and their parents well in advance.
