Action Taken Report

Academic year: 2021-22

Name of the Stakeholder: Student

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Students Feedback above 90% is considered as positive feedback and below 90% as a thumbs down feedback and we are working for the improvement.

| S.No | Question | Feedback / Concern | Percentage Consensus | Action To be taken |
|------|---|--------------------|----------------------|---|
| 1 | How would you rate the overall relevance of the curriculum to your future career? | Very Good | 93 | We will conduct surveys and feedback sessions with students to assess the relevance of the curriculum, and will make necessary revisions based on their input and industry trends. |
| 2 | Do you feel that the curriculum adequately prepares you with the necessary knowledge and skills for your future medical practice? | Very Good | 94 | We will implement regular evaluations, seek feedback from students and faculty, and incorporate industry best practices to ensure that the curriculum effectively equips students with the knowledge and skills needed for their future medical practice. |

| | | | | |
|---|---|-----------|----|---|
| 3 | How would you rate the practical components of the curriculum, such as clinical rotations, internships, or hands-on training? | Excellent | 96 | We will gather feedback from students and faculty, conduct regular assessments, and make necessary improvements to enhance the practical components of the curriculum, including clinical rotations, internships, and hands-on training. |
| 4 | Do you feel that the curriculum provides enough opportunities for active engagement, critical thinking, and problem-solving? | Good | 89 | We will enhance the curriculum by incorporating more opportunities for active engagement, critical thinking, and problem-solving through interactive classroom activities, case-based learning, and collaborative projects, ensuring a stimulating learning environment. |
| 5 | How would you rate the workload and balance of the curriculum in terms of managing your time and personal commitments? | Excellent | 95 | We will carefully review and adjust the workload and balance of the curriculum to ensure that students can effectively manage their time and personal commitments, considering their well-being and providing necessary support mechanisms for a healthy work-life balance. |
| 6 | Do you believe that the curriculum adequately incorporates diversity, inclusivity, and cultural perspectives? | Very Good | 94 | We will make sure that the curriculum includes diversity, inclusivity, and cultural perspectives by incorporating various viewpoints, relevant case studies, and collaborating with diverse faculty and experts to create an inclusive learning environment. |
