Standard Operating Procedure for Handling Grievance

1. Student should submit a handwritten hard copy to the respective concerned authority/head of department.
2. On receipt of complaint / grievance, Grievance Committee shall segregate the complaint, discuss with the concerned committee and thereafter direct the said complaint to the respective committee.
3. The concerned committee shall investigate the cases directed accordingly.
4. If required, a hearing with the complainant or clarification from the concerned may be taken.
5. The complainant shall be informed about the action taken by the committee.
6. If the complaint / grievance is found invalid, the complainant and the person against whom the complaint is made, will be informed accordingly and penal action may be taken.
7. The complaint in any case shall be resolved within 14 working days of its receipt.

Institute/Grievance Committee /Department Head shall extend co-operation to the Grievances received,
Failure to do so may be reported to the higher authority.

Grievance Redressal

Students of Boys hostel were facing problem of water supply and food not being served on time for students especially during lunch hours which was leading to delay in attending classes post lunch and missing classes. The above issue was resolved by sending the faculty Dr.Ambareesha who were – in campus faculty along with administrative staff . The faculty approached the Hostel Lunch area, along with that they also checked the quality of food and noted the timing for serving the students. The grievance was resolved post the faculty visit and their recommendation.

The recommendation made were.

1. Students of different colleges in campus were allotted different timing for lunch.
2. Supply of water was checked and recommendations were made.
3. Regular inspection would help in scrutinizing further problems.

Report of Enquiry Committee 23rd September 2019

Sub – Report of Water Sample collected from Boys Hostel

With reference to the above subject Mrs. Shubhashini Microbiology, Assistant professor has collected sample from the recommended place and Mr. Krishna Chaitanya , Assistant professor Anatomy has spoken to students from Boys hostel who raised complaints regarding water quality and taste .

As per the observations made by the faculty. The premises of water collection from various common water points was clean. No pooling of water was observed, no leakages were noticed from any lines. Mr. Krishna Chaitnya has spoken to students. The report submitted stated that the sample showed no bacteria in culture. However, the change in color of water could be due to rainy season, as water usually during rainy seasons is brownish in color. Heavy rains from past few days could be the reason for change in color. Students were however orientated about change in color. A copy of report of tested water sample is being attached for further clarification

Recommendations

- Regular cleaning of water tanks.

Report of Enquiry Committee 02-08-2019

Sub- Grievance of students regarding difficulty in riding bicycle or use of vehicles when coming to college

With reference to above subject, the committee has enquired the complainant and staff residing in the campus about pedestrians using road more than foot paths. Both students as well staff have agreed to the same. It is a concern of safety.

Recommendations

- Circular to be issued in all institutions of MNR AHER Campus to use footpath
- Principals of all institutes in campus should orient faculty and students to use only footpath wherever available
- If non-compliance to above rules fine may be imposed.

This is to inform all the undergraduate students that the management and the college administration have decided to bring into usage of biometric attendance for the students starting 1st of June 2019. Hence, you're all asked to please register your biometrics for the purpose before 30th of June 2019. Kindly co-ordinate with the C.AO. Ramakrishna in the academic department for your allotted time slots for the same. Also note that strictly the attendance from July month will be biometric based.
