

Memorandum of Understanding
Between
International Crops Research Institute for the Semi-Arid-Tropics (ICRISAT),
Patancheru 502 324, Telangana, India
AND
MNR Foundation for Research & Innovation (MNR-FRI),
MNR Nagar, Narsapur Road, Sangareddy 502294, Telangana, India.

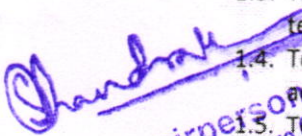

The International Crops Research Institute for the Semi-Arid-Tropics (ICRISAT) is an international research organization headquartered at Patancheru 502 324, Telangana, India with privileges and immunities of the United Nations (Privileges and Immunities) Act, 1947, extended through Extraordinary Gazette Notification No. UI/222(66)/71 dated 28th October 1972, issued by the Ministry of External Affairs, Government of India.

ICRISAT has established Agribusiness and Innovation Platform (AIP) that works as a global platform for transfer of technologies to private/ public sector organization and is promoting collaborative activities to achieve ICRISAT mandate and economic development of the region. At AIP-ICRISAT Intellectual Property Facilitation Cell (IPFC) has been established with support from the Ministry of Micro, Small & Medium Enterprises (MSME), Government of India which facilitates all IPR related activities including Intellectual Property (IP) protection, IP advisory, and technology transfer.

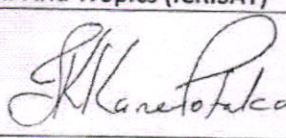

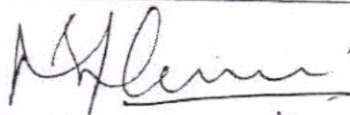

MNR Foundation for Research & Innovation (MNR-FRI), a Not-for-Profit company under Section 8 of the Indian Companies Act, 2013 having its registered office at MNR Nagar, Narsapur Road, Sangareddy 502294, Telangana. MNR-FRI is working on innovation creation and knowledge dissemination in the region.

ICRISAT and MNR-FRI are hereinafter referred to individually as "Party" or collectively as "Parties".

1. ICRISAT and MNR-FRI desire and intend to collaborate and build on the synergy of both parties to identify and nurture grass root innovations at the institutional level and work together to leverage the IP culture at the Institute and in the region. AIP-ICRISAT will be the focal unit representing ICRISAT under this collaboration. The scope of the collaboration is as follows:
 - 1.1. Assistance in development of institutional IP Policy for MNR-FRI.
 - 1.2. Assistance to MNR-FRI in IP identification, drafting and filing of appropriate IP applications and necessary guidance to protect the innovations being developed at MNR-FRI.
 - 1.3. To jointly explore the opportunities for technology transfer/Commercialization and technology management through appropriate models.
 - 1.4. To jointly perform due diligence studies to analyze the IP Potential of the innovations and advise viable interventions and IPR strategies in the region.
 - 1.5. To encourage, and use their reasonable endeavors to effect, within the limitations of each party's resources, policies and procedures, visits from one party to the other by members of the academic, research and other staff for the purpose of participating in training and capacity development programs and other activities, as agreed.
 - 1.6. To jointly explore collaboration opportunities in areas like knowledge exchange, collaborative training and capacity building exercises at regular intervals.
 - 1.7. To jointly develop projects in the innovation ecosystem and work towards grant of funding from national and International agencies.

Chairperson
Internal Quality Assurance Cell (IQAC)
MNR Medical College & Hospital

- 1.8. MNR-FRI and AIP-ICRISAT will connect their network institutions with each other for support on need basis.
- 1.9. MNR-FRI and AIP-ICRISAT will engage mutually in knowledge exchange and participation in each other's programs and events.
2. The Parties acknowledge that all visits of its staff and related costs will be borne by their own respective Institutions.
3. This document is not intended to create legal or binding obligations on either party. It serves only as a record of the parties' current intentions. Before any of the activities set out in this Memorandum of Understanding (MoU) are implemented, to ensure the activities can be accomplished in conformity with the law and so as to enable the principles set out in this MoU to be implemented, the parties shall negotiate the arrangements and enter into formal and binding separate definitive agreement or agreements with each other which will detail the specific form and content of the activities, cost sharing, and cover the responsibilities and rights of each Party. Such agreements will be negotiated in good faith.
4. The Parties agree that, without prior review and written approval of other Party, neither Party shall issue a press release or otherwise make a public announcement concerning the subject matter of this MoU or make any statements on behalf of or concerning the other Party to press, media, brokers, banks, and/or any other person.
5. This MoU commences from the date of last signing and shall be in force for 3 (three) years. The MoU may be terminated at any time by mutual consent or by 3 (three) months' notice by either party. It may be amended, modified, extended, or renewed only on the written consent of both Parties. The Institutions agree to review this MoU six months prior to end of the 3-year term.
6. The specific terms of this MoU do not preclude the development of future collaborative ventures or projects not mentioned in this document.

Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on this date 28th of March 2019, between MNR Foundation for Research & Innovation (MNR-FRI) and WE Hub an initiative of Government of Telangana and Telangana.

About MNR Foundation for Research & Innovation (MNR-FRI)

MNR-FRI is formed by MNR Educational Trust to facilitate active interaction of clinicians with Academia and Industry for improved healthcare methods and products; establish research programs dealing with regional healthcare challenges of lower socio-economic strata; promote entrepreneurship among students and faculty of science with a special emphasis on MNR Educational Trust members; organize visits of eminent scientists from India and abroad for research seminars and guidance in the areas of medical research and conduct research workshops for research skill development in the fields of molecular biology, etc. and short term exchange programs for MNR Educational Trust members to visit well established research labs to enhance their areas to share research expertise and clinical materials, and provide guidance to MNR Educational Trust members in developing their ideas into tangible products and to support their prototype to product; pursuing and promoting world class academic teaching, scientific research, problem solving through consultancy services to various industries and providing lifelong education and training through its faculties and directorates.

About WE Hub

The theme at the GES 2017 held in Hyderabad, was "Women First, Prosperity for All" and focused on what can and should be done to foster and promote entrepreneurship among women. Identifying the need for an exclusive platform to support and guide Women Entrepreneurs in their

entrepreneurial journey, the Government of Telangana announced during the GES, WE Hub, Women Entrepreneurs Hub.

WE Hub is a state-run platform women entrepreneurs which helps women from diverse backgrounds by providing a soft – landing hub and mentoring them to be successful in their entrepreneurial journey. Through WE Hub, we aim to support women entrepreneurs with innovative ideas, solutions and entities focusing on emerging areas in technology. The mandate and goal of WE Hub is to eliminate financial, societal and support barriers for women and help them succeed in their enterprises. In order to fulfil this, we aim to conduct an empirical research study to understand the nature of the problems faced by women entrepreneurs, and the plausible interventions.

MNR FRI

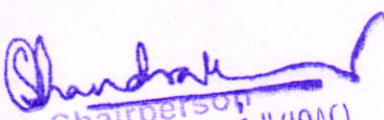

MNR FOUNDATION FOR RESEARCH AND INNOVATION a company with charitable objects limited by shares and not-for-profit under Section 8 of the Companies Act, 2013 located at MNR Nagar, Fasalwadi Village, Narsapur-Sangareddy Road, Sangareddy District 502294, Telangana (STATE), INDIA. (hereinafter referred as “MNR-FRI” which expression shall, unless excluded by or repugnant to the context, be deemed to include its permitted successors, permitted executors, permitted administrators, permitted representatives and permitted assigns).

AND

WE Hub located at 2nd Floor, D Block, Telangana Secretariat, Hyderabad 500022

are entering into a Memorandum of Understanding to jointly work towards understanding & bettering the ecosystem for Women Entrepreneurs, Girls in STEM, and Women Career Professionals in Telangana.

This MoU is being entered into by the two parties to set forth the terms and understandings to achieve the purpose as detailed below –

Chairperson,
Internal Quality Assurance Cell (IQAC)
MNR Medical College & Hospital

PRINCIPAL
MNR MEDICAL COLLEGE & HOSPITAL
FASALWADI, SANGAREDDY-502294

Purpose and scope of the MoU

The purpose and scope of the MoU shall be to jointly foster and promote women-owned or women-led start-ups in the fields of (but not limited to) Healthcare, Medicine, Biosciences, MedTech.

Roles & Responsibilities of the Parties

WE Hub

- WE Hub to connect relevant start-ups to MNR-FRI to facilitate technical support
- In addition, WE Hub will provide the start-up with business advisory support, strategy and roadmap planning, go-to-market strategy, customer acquisition and other ancillary incubations services
- MNR-FRI to facilitate technical support in terms of Ideation, Doctor-patient interaction, Evaluation and Validation, Regulatory guidance, Clinical Trials, and technical lab space

Funding

Unless otherwise specifically agreed to in writing by the Parties, each Party will bear on their own the respective costs of carrying out the obligations under this MOU. In the event of any consequential financial obligations arising out of any initiative of the parties under this MoU, the parties would take appropriate decision by mutual discussion and understanding through separate document(s) on a case to case basis. In that case, taxes if any will be charged extra and withholding tax if any will be deducted by respective party on any financial transaction as per applicable laws.

Nature of MoU

This MoU is not a legally binding document and serves only as a guideline of the terms of engagement mutually agreed to between the said partners. The said MoU shall in no form be legally enforceable and has no binding on either party/ partner involved in the same.

Article 1

1. INTELLECTUAL PROPERTY, INVENTIONS AND INNOVATIONS

- 1.1 All intellectual property held by either Party to this MoU, prior to entering into this MoU or disclosed or introduced in connection with this MoU and all materials in which such intellectual property is held, disclosed or introduced shall remain the property of the Party introducing or disclosing it.

Chairperson
Internal Quality Assurance Cell (IQAC)
MNR Medical College & Hospital

information required to be released by law; and information which is rightfully received by receiving Party from third parties without any breach of confidentiality obligations.

- 2.5 This Article will survive the expiration or termination of this MoU for one (1) year from the date of expiration or termination of this MoU.

Article 3

3. AMENDMENTS

- 3.1 This MoU may be amended and supplemented in writing at any time as decided and agreed by mutual written consent of the Parties.

Article 4

4. TERM AND TERMINATION OF MoU

- 4.1 This MoU shall commence on the Effective Date and shall remain in force for a period of one (1) year or the successful completion of the Programme (the "Term"), whichever is later. After the expiry of the Term, this MoU shall stand terminated. Both the Parties, may enter into similar MoU/Understanding for future collaborations. If either of the Parties wishes to terminate this MoU, the same may be done by way of 30 days' notice.
- 4.2 Either Party may at any time, by way of 2 (two) weeks' notice, intimate to other party, its intent of terminating this MOU.

Article 5

5. GOVERNING LAWS

- 5.1 In respect to its performance in India, this MoU shall be governed by and construed in accordance with the laws of India and enforceable in the Courts of Hyderabad, India.

Article 6

6. ARBITRATION

- 6.1 Any dispute or difference between the Parties with regard to this MoU and all related matters whatsoever shall be discussed and settled amicably. In the event of any failure to resolve the disputes or differences amicably within Thirty (30) days, all such disputes or differences whatsoever, shall be referred to arbitration. The arbitration proceedings shall be conducted in English and in accordance with the provisions of the Indian Arbitration and

1.2 Any specific activity developed under this MOU shall be detailed in a subsequent agreement, signed by each institution's authorized signatory, which will describe the scope of the proposed activity, intended outcomes, budget, and responsible departments or individuals.

1.3 All activities shall be subject to the availability of funds and the approval of each institution's authorized representatives.

ARTICLE 2: DURATION AND EVALUATION

2.1 This MOU shall be in effect for a period of [1] year from the last date of signature. Either party may request termination of this agreement, in writing, ninety (90) days prior to the proposed termination date. Any activities in progress at the time of termination shall be permitted to conclude as planned unless otherwise agreed in writing.

2.2 A joint evaluation of the MOU will be initiated by the designated representatives six (6) months prior to the expiration date. Following the evaluation, the MOU may be renewed and resigned for an additional One (1) year period.

2.3 Amendments to this MOU may be requested, in writing, by either party and approved by the authorized signatories.

ARTICLE 3: NON-DISCRIMINATION

The parties agree not to discriminate on the basis of religion, race, creed, national or ethnic origin, sex, age, handicap, political affiliation, sexual orientation, disability or status as a veteran.

ARTICLE 4: COMPLIANCE WITH LAW

The parties specifically intend to comply with all applicable laws, rules and regulations as they may be amended from time to time. If any part of this Agreement is determined to violate federal, state, or local laws, rules, or regulations, the parties agree to negotiate in good faith revisions to any such provisions. If the parties fail to agree within a reasonable time to revisions required to bring the entire Agreement into compliance, either party may terminate this Agreement upon thirty (30) days prior written notice to the other party.

ARTICLE 5: FORCE MAJEURE

In the event students are unable to complete the Program due to causes beyond the control of **MNR MEDICAL COLLEGE & HOSPITAL**, including, but not limited to: acts of God; war; acts of the government; fires; floods; epidemics; quarantine restrictions; strikes, labour disputes or work stoppages; transportation contingency; and freight embargoes; other catastrophes or any similar occurrences beyond **MNR MEDICAL COLLEGE & HOSPITAL** reasonable control, **MNR MEDICAL COLLEGE & HOSPITAL** will assist the affected students in finding an alternate site to complete the Program.

ARTICLE 6: FERPA

The parties acknowledge that information (if any) received from **MNR MEDICAL COLLEGE & HOSPITAL** regarding students may be protected by the Family Educational Rights and Privacy Act ("FERPA"), and agrees to use such information only for the purpose for which it was disclosed and not to make it available to any third party without first obtaining the student's written consent. For the purposes of this Agreement, Home Institution shall be deemed to be a "university official."

ARTICLE 7: USE OF NAME

None of the parties shall use the name, logo, likeness, trademarks, image or other intellectual property of either of the other parties for any advertising, marketing, endorsement or any other purposes without the specific prior written consent of an authorized representative of the other party as to each such use. Home Institution may refer to the affiliation with **MNR MEDICAL COLLEGE & HOSPITAL** in public information materials regarding the relevant Program. **MNR MEDICAL COLLEGE & HOSPITAL** reserves the right to review and request modification of Home Institution's reference to **MNR MEDICAL COLLEGE & HOSPITAL** as necessary. Home Institution may refer to the affiliation with **MNR MEDICAL COLLEGE & HOSPITAL** in its brochures and other public information materials having to do with the Program.

ARTICLE 8: INDEPENDENT CONTRACTORS

Each party is separate and independent and this Agreement shall not be deemed to create a relationship of agency, employment, or partnership between or among them. Each party understands and agrees that this Agreement establishes an independent contractor relationship and that the agents or employees of each respective party are not employees or agents of any other party.

ARTICLE 9: SEVERABILITY

The provisions of this Agreement are severable, and if any provision of this Agreement is found to be invalid, void or unenforceable, the remaining provisions will remain in full force and effect.

ARTICLE 10: WAIVER

The waiver of any breach of any term of this Agreement does not waive any subsequent breach of that or another term of this Agreement.

ARTICLE 11: ASSIGNMENT

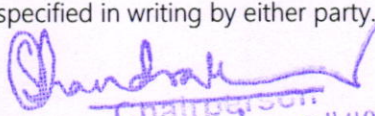

No party may assign this Agreement or any rights or obligations under this Agreement to any person or entity without the prior written consent of the other parties. Any assignment in violation of this provision is null and void.

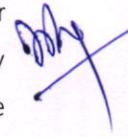

ARTICLE 12: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties as to the subject matter hereof and supersedes all prior discussions, agreements and undertakings of every kind and nature between them, whether written or oral, with respect to such subject matter. This Agreement may subsequently be modified only by a written document executed by both parties.

ARTICLE 13: NOTICES

Any consent, waiver, notice, demand, request or other instrument required or permitted to be given under this Agreement or any related agreements shall be in writing and shall be delivered by hand or sent prepaid telex, cable or facsimile transmission, or sent, postage prepaid, by registered, certified or express mail or reputable overnight courier service and shall be deemed given when so delivered by hand, telexed, cabled or transmitted, or if mailed, five (5) days after the notice is delivered to the courier service, addressed to the addresses set forth herein, or to such other address as may later be specified in writing by either party.

THE HEALTH CARE

2. CO-OPERATION

- 2.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
- 2.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one

3. SCOPE OF THE MoU

- 3.1 The talented students from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both Parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 3.2 **Curriculum Design:** Second Party may participate in this process as and when the First Party extends invitation for such activity. The cooperation may be sought in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 3.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party may permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/Workshops/Industrial Sites for the hands-on training of the learners enrolled with First Party.

- 3.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of their expertise. The outcome of the R&D would be subject to the INTELLECTUALPROPERTY section of this MoU.
- 3.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready and vice-versa.
- 3.6 **Expert Lectures:** Second Party to extend the necessary support to deliver expert lectures to the students of the First Party on the technology trends and in-house requirements and vice-versa.
- 3.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the requirement in concerned sector/specialization, if available and vice-versa.
- 3.8 **Training and Placement of Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for the students.
- 3.9 **Consultancies, R&D and other Academic Matters:** The Parties will extend cooperation to each other in such a manner that it is mutually beneficial but does not create a conflict of interest on either's part. If such situation arises, the terms mentioned in the ARBITRATION section of this MoU would be resorted to.

4. DURATION

- 4.1 This Memorandum of Understanding shall become effective upon signing by both Parties and shall remain in effect for duration of ONE (1) year. It may be extended for duration with mutual agreement.
- 4.2 The MoU may be terminated by either Party by giving three months' notice and settling all outstanding dues, if any, within that period.

The Pharma

Memorandum of Understanding

Between

MNR MEDICAL COLLEGE & HOSPITAL

and

THE PHARMA RESEARCH

This Memorandum of Understanding (MOU) sets for the terms and understanding between the (Sri. Dr T. Venkat Ramaniah) and the (Uma Rani) to **ENTREPRENEURIAL SKILL DEVELOPMENT, OUTCOME BASED TRAININGS, PLACEMENT AND RELATED SERVICES** is entered into on this the 01/06/2018.

College Profile:

MNR Medical College and its allied institutions were founded in the year 2001, at Sangareddy, Telangana State. It has started with an initial intake of 100 students. However, over the years, this small ripple has become a revolution in education, from 100 students to 5000 enrollments as of today; we are immensely satisfied with this steady growth and are very proud to declare that MNR is now synonymous with quality education.

MNR Medical College provides the best-in-class facilities to its students for a superior and remarkable experience that leaves lasting impressions. MNR Medical College offers undergraduate, postgraduate and diploma programs in medicine & health sciences. Our college building is an ultramodern structure that houses department-wise lecture galleries, laboratories, demo rooms, research labs, and libraries.
