## International Student Cell

MNR Educational Trust has an active international student cell that caters to the needs of foreign students. MNR being one of the pioneers in the education sector competing with world-class education has always been welcoming toward students aspiring for the same. Institute charted a path of moulding them into competent future experts and successful professionals, and to achieve their chosen degrees with high accolades.

At MNR, we respect culture, tradition and blend students with country's rich tradition and culture. The students get to know each other and the diverse environment serves as an opportunity to broaden their horizons by exchange of different ideas. Since 2001 MNR is home to students from various countries and divisions. Our main target is to focus on international destinations as well to make this institute truly an International.

International Student Cell is dedicated to assisting international students during their time of study. Its primary goal is to provide support and resources to help international students adjust to life in a new country and succeed academically, socially, and culturally.

The functions and services offered by an International Student Cell include:

1. **Admissions and Enrolment Assistance:** Helping international students through the application and enrolment process, including visa and immigration-related issues.
2. **Orientation Programs:** Organizing orientation sessions to familiarize international students with the campus, local area, culture, academic expectations, and available support services.
3. **Visa and Immigration Guidance:** Providing information and guidance related to visa requirements, immigration regulations, and work permissions.
4. **Academic Support:** Assisting students with course selection, scheduling, and connecting them with academic advisors. This might also involve providing tutoring or study skill workshops.
5. **Cultural Integration:** Offering programs and events that promote cultural exchange and interaction between international and domestic students.
6. **Housing Assistance:** Providing information on housing and Hostel options, helping students find suitable accommodations, and addressing housing-related concerns.
7. **Health and Wellness Services:** Offering information about healthcare services, health insurance, and mental health support available in the local area.
8. **Social and Recreational Activities:** Organizing events, outings, and cultural activities to help international students build connections and engage with their peers.

9. **Language Support:** Offering language assistance, such as English language classes or conversation partners, for students who are not native English speakers.
10. **Legal and Financial Guidance:** Providing information on legal rights, financial matters, and employment opportunities available to international students.
11. **Emergency Assistance:** Being a point of contact for international students during emergencies and navigate through challenging situations.
12. **Graduation and Post-Graduation Support:** Assisting students with post-graduation plans.

The cell creates a bridge between the students and administration. The Cell provides necessary guidelines related to the university and students.
