## Student council

### **Purpose:**

The Student Council serves as an effective communication medium between the administration and students. Though every student can communicate at any time with the administrative officials, Student Council acts as the interactive body facilitating primary level of communication.

### **Roles and Responsibilities:**

1. **Representation:** Student council members act as advocates for the entire student body, ensuring that their voices, concerns, and opinions are heard.
2. **Organizing Events:** Council often plans and coordinates various events, workshops, seminars, conferences, and social activities.
3. **Communication:** Council acts as a bridge between students and administration, conveying information, policies to the administration.
4. **Leadership Development:** Council provides opportunities for students to develop leadership skills, teamwork, and organizational abilities.
5. **Promoting Student Welfare:** Council works on initiatives that enhance holistic well-being of students.
6. **Social and Cultural Activities:** Council often arranges cultural events, festivals, and celebrations that promote diversity, unity, and a sense of community among students.
7. **Professional Development:** Council helps to organize workshops, networking events that help students develop professionally, connect with mentors, and explore different medical specialties.
8. **Collaboration:** Collaboration with other student organizations, clubs, and societies to create a vibrant campus life that caters to various interests.

**Chairperson**
