VISION & MISSION

The "VISION"

The vision of the MNR Medical College and Hospital is:

- To evolve into a centre of excellence in Medical Science & Technology through creative and innovative practices in teaching, learning and promoting academic achievement and research.
- To Provide internationally accepted, competitive and world class professionals who are professionally strong and emotionally balanced imbued with social consciousness and ethical values.

The "MISSION"

The Mission of the institute is:

The MNR mission to be a leader in helping individuals and organizations to enhance their academic effectiveness. To do so, by pursuing a balanced excellence that links theory to practice in teaching and research that are innovative, technologically fine tuned, rigorous and relevant to international standards.

The Vision and Mission of the institute is communicated to the students, staff and other stakeholders through prospectus, college calendar and newsletters.

The same is also displayed prominently on a notice board adjacent to the Principals office room. Besides, the vision and mission are focused in all the seminars, conferences and workshops that the college organizes.

The college website reveals the Vision and Mission.
