## Report of Professional Development Program

**Title of the program** : Diagnostic Microbiology skills  
**Date(s)** : 11.03.2020  
**Resource person** : Dr.G.Shobha Latha, Prof and HOD, Microbiology

A Professional Development Program on "Diagnostic Microbiology skills" was conducted by the department of Microbiology, MNR Medical College & Hospital on 11.03.2020. Dr.G.Shobha Latha, Prof and HOD, Department of Microbiology was delivered a talk and hand on experience on Diagnostic Microbiology skills. 25 participants from various departments are participated in this program.

The main objective of this program was to give the Diagnostic Microbiology skills. Dr.G.Shobha Latha explained how Diagnostic microbiology has rapidly detect and accurately identify implicated microorganisms in test specimens Dr.G.Shobha Latha has gave his power point presentation on Diagnostic Microbiology skills with the following contents.

1. Introduction to Diagnostic Microbiology
2. Specimen selection, collection, and processing
3. General rules to all specimens
4. Microbiologic examination
5. Methods
6. Safety measures
