Sir/Madam, warm greetings!

I am here with sending you the certificates of the participants who have attended CISP II online webinar held during July, August and September 2020. As you are aware that certificates have to be issued to only those participants who have completed Revised Basic Course earlier. In case the faculty have not done RBCW they need to be enrolled for the next workshop to be held within your college in the next couple of months. Till then please keep them safely and handover both the certificates together at the end of RBCW. This is for strict compliance.

Thank You,

Warm Regards,
Dr N.V.N Reddy
