Minutes of IQAC Meeting in the Academic Year 2022-23

Date: 14-04-23

Name of the Stakeholder: Student

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Students' feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

S.No	Question	Feedback /Concern	Percentage Consensus	Action to be Taken
Classrooms and Lecture Halls				
1	Audio-Visual Equipment	97	Excellent	We will upgrade the audio-visual equipment to ensure a more effective and engaging learning environment for our students.
2	Seating Comfort	98	Excellent	We will invest in more comfortable seating options to enhance the comfort of our students and staff in our facilities.
3	Adequate Lighting and Ventilation	97	Excellent	We will improve lighting and ventilation in our facilities to create a more conducive and comfortable environment for everyone.
Laboratories				
4	Equipment Availability	96	Excellent	We will ensure better equipment availability to meet the needs of our students and faculty in the future.
5	Cleanliness and Maintenance	97	Excellent	We will implement a regular cleaning and maintenance schedule to ensure our facilities are consistently clean and well-maintained.
6	Safety Measures	96	Excellent	We will implement enhanced safety measures to provide a secure environment for all students, faculty, and staff in the future.
Library				
7	Collection of Books and Journals	95	Very Good	We will expand our collection of books and journals to offer a wider range of resources for students and faculty in the future.
8	Study Space Availability	98	Excellent	We will increase study space availability to accommodate the needs of our students in the future.
9	Online Resources	97	Excellent	We will expand our online resources to provide a more extensive and accessible digital library for our students and faculty in the future.
Clinical Facilities				
10	Hospital Infrastructure	96	Excellent	We will enhance our hospital infrastructure to ensure better facilities and services for patients in the future.

Minutes of IQAC Meeting in the Academic Year 2021-22

Date: 28.04.2022

Name of the Stakeholder: Student

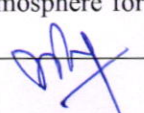

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution. Students' feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

S.No	Question	Feedback /Concern	Percentage Consensus	Action to be Taken
Classrooms and Lecture Halls				
1	Audio-Visual Equipment	95	Very Good	We will upgrade the audio-visual equipment to ensure a more effective and engaging learning environment for our students.
2	Seating Comfort	96	Excellent	We will invest in more comfortable seating options to enhance the comfort of our students and staff in our facilities.
3	Adequate Lighting and Ventilation	95	Very Good	We will improve lighting and ventilation in our facilities to create a more conducive and comfortable environment for everyone.
Laboratories				
4	Equipment Availability	94	Very Good	We will ensure better equipment availability to meet the needs of our students and faculty in the future.
5	Cleanliness and Maintenance	95	Very Good	We will implement a regular cleaning and maintenance schedule to ensure our facilities are consistently clean and well-maintained.
6	Safety Measures	94	Very Good	We will implement enhanced safety measures to provide a secure environment for all students, faculty, and staff in the future.
Library				
7	Collection of Books and Journals	93	Very Good	We will expand our collection of books and journals to offer a wider range of resources for students and faculty in the future.
8	Study Space Availability	96	Excellent	We will increase study space availability to accommodate the needs of our students in the future.
9	Online Resources	95	Very Good	We will expand our online resources to provide a more extensive and accessible digital library for our students and faculty in the future.
Clinical Facilities				
10	Hospital Infrastructure	94	Very Good	We will enhance our hospital infrastructure to ensure better facilities and services for patients in the future.
11	Patient Care Environment	93	Very Good	We will improve the patient care environment to provide a more comfortable and supportive atmosphere for all patients in the future.
