Report of Professional Development Program

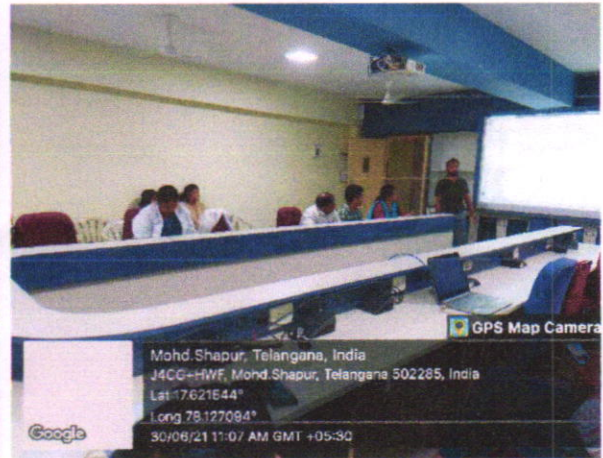

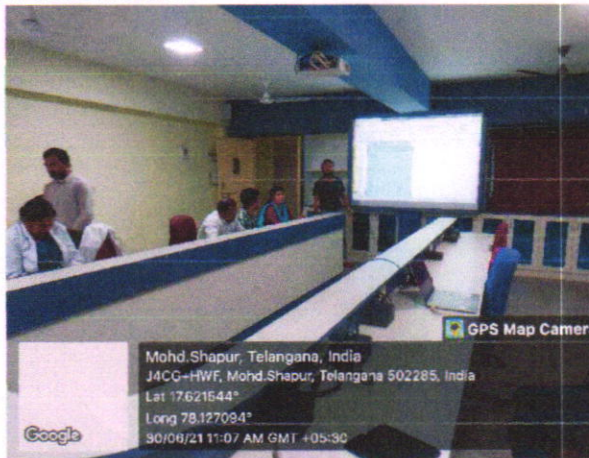

Title of the program : Basic skills for using Computer
Date(s) : 30.06.2021
Resource person : Dr.Anurag Yadav, Asst prof, Biochemistry

A Professional Development Program on “Basic skills for using Computer” was conducted by the department of Biochemistry, MNR Medical College & Hospital on 30th June 2021. Dr.Anurag Yadav, Asst prof, Department of Biochemistry was delivered a talk on Basic skills for using Computer.

The main objective of this program was to give enrichment of commuting knowledge to the doctors. The usage of computer is important in day-to-day work. Knowledge of how to access and use the internet opens up a variety of possibilities to communicate with people to people. Instant messaging, e-mail and social media are all computer-based ways to communicate with people. Knowledge on correct e-mail etiquette and when it was appropriate to communicate via social media are invaluable soft skills that look for computer- based communication. Dr.Anurag Yadav has also gave his power point presentation on Basic skills for using Computer during his presentation he has explained how to use Microsoft word, Microsoft Excel, Microsoft Powerpoint.

28 participants from various departments are participated in this program.
