Students Feedback on Curriculum

Student ID	Student Name	Date of Feedback	Program Year	Semester
1640	Abudari Akshith	26-11-2022	2022	VIII

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, learning and evaluation. The information provided by you will be kept confidential and will be used as feedback for quality improvement of the program of studies/institution.

Directions: For a score for each item please indicate your level of satisfaction with the following statement by choosing between 1 and 5.

*Rating score: Excellent (5), Very Good (4), Good (3), Average (2), Below Average (1).

S.No	QUESTIONNAIRE	5	4	3	2	1
1	How would you rate the overall relevance of the curriculum to your future career?	✓				
2	Do you feel that the curriculum adequately prepares you with the necessary knowledge and skills for your future medical practice?	✓				
3	How would you rate the practical components of the curriculum, such as clinical rotations, internships, or hands-on training?	✓				
4	Do you feel that the curriculum provides enough opportunities for active engagement, critical thinking, and problem-solving?		✓			
5	How would you rate the workload and balance of the curriculum in terms of managing your time and personal commitments?	✓				
6	Do you believe that the curriculum adequately incorporates diversity, inclusivity, and cultural perspectives?	✓				
7	How satisfied are you with the up-to-date content in the curriculum that reflects the latest developments and advancements in the medical field?	✓				
8	Are the learning objectives of each course or module clearly defined and communicated to you?		✓			
9	How would you rate the availability and accessibility of learning resources (library, online databases, journals, etc.) to support your studies?	✓				
10	Overall, how would you rate the effectiveness of the curriculum in preparing you for your career?	✓
