Ph: + 85000 56667, (08455) 230523, 230527, 230524 Fax No. (08455) - 230555, 230533

### List of opportunities provided for the students for midcourse improvement of performance in the examinations

#### A) Timely administration of CIE:

Beginning of every academic year, college in co-ordination with the faculty prepares the institutional academic calendar containing the information regarding the month and dates of internals, in accordance with university calendar well in advance to ensure the timely administration of Continuous internal Evaluation. The academic calendar is strictly adhered to and is circulated among the student, Whatsapp groups of staff and students and also placed in the website. Students are well aware of their assessment schedule and can plan themselves well ahead for their internals.

#### B) On time assessment and feedback:

Answer sheets are evaluated and results declared within a week. Answer sheets are distributed to the student's and individual feedback is given to the each student regarding their performance and ways of improvement explained. Students are given sufficient time to go through their answer booklet. Student's improvement continuously monitored not only by their respective subject faculty but also by their mentors. Regular feedback taken from students and grievances addressed timely and efficiently.

#### C) Make up assignments/tests:

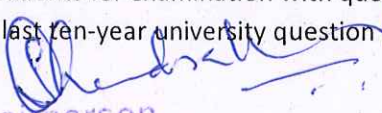

Students who are under performing, students who find it difficult in write the answer they know during the exam are identified and make up assignments and regular tests are given to them particularly one month prior to the internal examination.

#### D) Remedial teaching and support:

Slow and advanced learners are identified after the internal assessment. Remedial measures are taken for slow learners which include remedial classes, study hours, study hours, counselling sessions etc.

#### List of opportunities provided:

- Remedial classes apart from regular theory classes.
- Make up assignments and tests
- Training students for examination with question banks
- Solving of last ten-year university question papers
