1. Executive Summary

The purpose of this document is to give a brief overview of CAMPUS MEDICINE – A Medical & Dental - Institutional Management Solution, its objectives, advantages to various stake holders of the Medical & Dental campus eco system (Management /Promoters, Director/ Dean/ Principal/ HOD, Faculty, Students and Parents) and an integrated approach for implementing CAMPUS MEDICINE at MNR Medical College & Hospital and MNR Dental College & Hospital, Hyderabad.

This document presents the action plan proposed by CAMPUS MEDICINE to meet the needs of MNR Medical and Dental Colleges. The Institutes require an Institutional management ERP for managing their campus efficiently with a specific need for having individualistic log-ins for multiple stake holders, especially for Parents and Student where they have firsthand information regarding student's attendance, academic progress etc. The implementation must meet international standards and provide excellent Management Information System.

CAMPUS MEDICINE is a company experienced in this field, committed and dedicated that MNR Group can depend on to receive the highest quality of solution implementation. CAMPUS MEDICINE with its rich experience in web-based application with workflow-based requirements would definitely be able to provide necessary services to complete the project within the stipulated time frame. By virtue of having built competencies in the Healthcare Education space through products & services, CAMPUS MEDICINE could help MNR Group to gain cost advantage and a branding edge in the Healthcare education market space with improved overall management and efficient operations.

- ▶ **Communication & Branding:** CAMPUS MEDICINE strongly recommends Institution to conduct internal pre-communication exercise to create awareness about CAMPUS MEDICINE implementation (through posters, banners, mailers etc created by CAMPUS MEDICINE), informing and encouraging students & faculty about adopting Medical campus management system. This helps create excitement & build confidence.

Level I - Step 2: Stakeholder Buy-In

Key Activities and Deliverables:

- ▶ **Channeling Excitement:** Post communication and creation of word of mouth, it would be extremely important to channel the excitement into the right direction. To ensure the end users get the message right and have a complete buy-in into the overall process, it is recommended that a complete demo presentation is made to the students, faculties and non-teaching staffs.
- ▶ **Demo Presentation:** Students, faculty and non-teaching staff members would be invited to attend the demo presentation on a scheduled date and time. Parents would also be invited to join for the presentation. In the demo respective Dashboards of stakeholders will be displayed. Reports would be displayed using principal and parent dummy logins.
- ▶ **Data Collection:** Pre designed format sheets would be distributed amongst all the students, faculty and non-teaching staff members which will capture various relevant demographic details of all the students, parents, faculty and non-teaching staff members. Other details pertaining to admission process, fee structure, details of hostel and transport, time table, Designation and different departments, Course and Subject details Completed sheets would be handed over to CAMPUS MEDICINE team by the stipulated date.

Level II - Step 1: Integration

Key Activities and Deliverables:

- ▶ **CAMPUS MEDICINE Customization:** Post kick off, the customized version of CAMPUS MEDICINE basis the discussion points would be released and shared with Institute's management. If approved, CAMPUS MEDICINE features and design would be frozen else the same will be reworked upon and post a second round of discussion, approval will be sought from Institution.
- ▶ **Integration CAMPUS MEDICINE:** The approved version of CAMPUS MEDICINE will be integrated with Institution's website for users to log in directly.
