Conclusion

Every year 25th November is observed as International day for Elimination of Violence against Women . **Theme** being – **Orange the World : Fund, Respond , Prevent , Collect.** Since the outbreak of pandemic emerging data and reports have shown rise in all types of violence against women and girls , especially domestic violence. This session was very important and need of the hour . It also helped in raising awareness and build courage, achieve equality , development , peace as well as to the fulfillment of women and girls human rights lifesaving services for women and girls . It has set clear path on how and when to take help and stand up for self in various situations.

- Emergency contact details were made available
- Counselor contact details were displayed in the presentation during the session
- SHE team Hyderabad contact details were displayed during the session
- 4 skits were played during the session for clear understanding of various scenarios of violence.
